SHEERGUARDSA™

your clear security solution

ROLLERGUARD SECURITY ROLLER SHUTTERS

RollerGuard is a premium slimline aluminium security roller shutter that offers far more than protection against crime. Designed for both residential and commercial applications, it provides an effective barrier against intruders while helping reduce light, noise and the impact of harsh weather conditions, creating a safer, quieter and more comfortable environment.

Custom-made to suit your exact opening, RollerGuard combines durable, low-maintenance aluminium construction with smooth, quiet operation and a sleek, compact design. From windows and garages to patios, shopfronts and internal access points, it delivers reliable security, privacy and comfort.
