SHEERGUARDSA™

your clear security solution

SPIKEGUARD SECURITY SPIKES

Maximise your perimeter security with SpikeGuard Rotational Security Spikes.

SpikeGuard Rotational Security Spikes are the most effective anti-climb wall solution. They have been proven by experts to be the ‘ultimate climb barrier’ in securing your perimeter, preventing intruders from climbing over walls.

SpikeGuard Rotational Security Spikes work well with or without electric fencing and are made from toughened glass fibre,polyamide reinforced nylon.

- Different options available to secure various perimeter structures:
  - **Single Row U-Brackets** for precast walls, palisade and timber fencing
  - **Single Row Flat Bracket** for brick walls, gates and timber fences wider than 4cm
  - **Double Row Flat Bracket** for brick walls and gates wider than 5cm (installed horizontally or vertically)
- Razor Sharp Spikes
- UV Resistant
- Anti-Rust
- Tamper Proof
- No Maintenance
- Available in black or white , cream, charcoal, red & green
